Unleashed is Johns Creek's premiere Doggy Daycare, Boarding, and Full Service Grooming facility.

Our goal is to provide a safe, fun and stimulating social environment for your pups while you are away. Whether you're at work or on vacation, you will have that piece of mind knowing your fur baby is in good hands. We are here to look after your pet and pamper them as if they were our own.

We provide separate play areas based on your pups temperament, as we know that not all dogs play alike.

Our pet loving staff are with your pups all day to supervise and play. We have a fun daily schedule that includes playtime with bacon scented bubbles, nap time and snuggle time.

Boarding and Daycare Requirements:
